

At the beginning of the extract, the writer makes a conscious effort to represent the house as **frightening** through the use of negative adjectives like 'aggressive' and 'eerie'. The word 'aggressive' is also personified here as the house is said to 'act' in this forceful manner. By giving the house such ominous energy, it can be assumed that **the writer is attempting to bring the house to life**, strengthening the notion that the house has dominating power over anyone that enters. This not only makes the house seem even more frightening, but also builds tension through powerful language in order to set a menacing tone to the reader.
