**Follow Me - Teen Bible Study Leader Guide** David Platt,2013-03 A short term video enhanced Bible study for all youth by David Platt    *Follow Me - Adult* David Platt,2013-02-01 When Jesus says Follow Me it's not an invitation to say a prayer it's a summons to lose our lives Pastor David Platt challenges the traditions of cultural Christianity and reintroduces us to Jesus and His most simple request Follow Me    Follow Me Bible Study - Member Book David Platt,2013-02 When Jesus says Follow Me it's not an invitation to say a prayer it's a summons to lose our lives Pastor David Platt challenges the traditions of cultural Christianity and reintroduces us to Jesus and His most simple request Follow Me    **Follow Me** David Platt,2013-02-05 2014 Christian Retailing's Best award finalist What did Jesus really mean when he said Follow Me In this new book David Platt author of the New York Times bestselling book Radical Taking Back Your Faith from the American Dream contends that multitudes of people around the world culturally think they are Christians yet biblically are not followers of Christ Scores of men women and children have been told that becoming a follower of Jesus simply involves believing certain truths or saying certain words As a result churches today are filled with people who believe they are Christians but aren't We want to be disciples as long as doing so does not intrude on our lifestyles our preferences our comforts and even our religion Revealing a biblical picture of what it means to truly be a Christian Follow Me explores the gravity of what we must forsake in this world as well as the indescribable joy and deep satisfaction to be found when we live for Christ The call to follow Jesus is not simply an invitation to pray a prayer it's a summons to lose your life and to find new life in him This book will show you what such life actually looks like    **Follow Me - Bible Study Book with Video Access**

David Platt,2022-06-15 Challenge the traditions of cultural Christianity and examine the meaning of Jesus's simple request Follow Me    **The New Elder's Handbook** Greg R. Scharf,Arthur Kok,2018-11-20 Pastors and church leaders are in need of mature godly elders to ensure church health but the training of elders is often entirely missing or badly neglected What if there were a process to proactively call and train elders The New Elder's Handbook is designed to equip elders with the knowledge character and skills the office calls for It takes church leaders through the development of a vision for ministry recruitment of elders to carry out that vision and specific biblical training providing a way to be intentional about developing elders    **Counter Culture** David Platt,2015-02-03 Leader guide for the six session Bible study for students from Dr David Platt    *Follow Me Church Kit* David Platt,2013-02-01 When Jesus says Follow Me it's not an invitation to say a prayer it's a summons to lose our lives Pastor David Platt challenges the traditions of cultural Christianity and reintroduces us to Jesus and His most simple request Follow Me    Shepherding God's People Siang-Yang Tan,2019-07-16 This comprehensive

textbook on pastoral ministry for pastors church leaders and students articulates a biblical model for shepherding God's people Written by a leading psychologist and seminary professor who has served as a pastor for more than two decades the book covers twelve major areas of pastoral ministry highlights the essential work of the Holy Spirit and focuses on the

personal and family life of the pastor It includes cross cultural perspectives of special interest in our diverse world and a foreword by John Ortberg **Growing God's Family** Samuel L Perry,2016-12-06 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level Growing God's Family ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a group

**A Defense of Youth Ministry** Ron Belsterling,2019-04-04 Youth ministry succeeds because it directly reflects Jesus Christ's approach It's not overvalued today it's undervalued The hard work required for its success has been misunderstood and misrepresented The first part of the book establishes that case and analyzes the pros and cons of current varying philosophies and approaches merging their best aspects into the holistic approach demonstrated by Christ Part 2 introduces Attachment Relationship Ministry ARM a lens distinguishing four primary adolescent relational styles depending on how secure or insecure teens are with God and parents Part 3 encourages strategic relational ministry sensitive to those styles explaining why youth leader efforts succeed or fail Chapters offer realistic discipleship and evangelism suggestions depending on attachment styles and practically empowering youth workers volunteers newbies experts and interns to focus energy and time more wisely These recommendations relate to spiritual formation leadership selection parental approach and trending issues such as ministry to LGBTQIA teens For too many teens today feeling insecure in crisis is a way of life Learn how to take what you've done well and make it better All church leaders should read this book logging the critical importance of providing ministry specifically targeting teenagers today *Follow Me Group Guide* Ed D David E Schroeder,2013-09 The Follow Me Group Guide is a practical tool for learning how to be a disciple of Jesus Christ and how to help others become disciples Following the methodology and themes Jesus used to train his Twelve the Group Guide is a companion to Dr David Schroeder's popular book Follow Me the Disciple making Strategy of Jesus aka Discipleship by the Book Dr Ravi Zacharias popular speaker and author of many outstanding Christian books has this to say about Follow Me

David Schroeder wisely observes that the foremost task of the church is to make disciples and that genuine discipleship takes place in the context of intimate relationships Conjoining scholarly research with rich practical and devotional insights he examines values that Jesus taught such as humility compassion and accountability and shows how they can transform individuals as well as communities I have known David for nearly four decades and commend his important work to you Follow Me and the Group Guide present a biblical picture of a primitive and powerful brand of Christianity that was effective in its first few generations and would be effective in this generation if followed more faithfully In this book we enter into the heart of the Lord Jesus Christ to see the strategies which he communicated to his first followers Undoubtedly the ways in which we might apply those strategies will differ from Christians in the first century because we must adapt them to different cultural settings Nevertheless human nature has not changed in twenty centuries and these teachings of Jesus must still be the backbone of effective Christian witness Taking a cue from Jesus the Group Guide encourages disciple making in small groups The questions for discussion open group members to discover of What It the biblical text Says What It Means and What It Means for Me Following the purposeful progressive strategy of Jesus by focusing on character formation in three stages Learning Kingdom Values Ministry and Leadership the material helps the groups explore what it means to follow Jesus as a disciple in their personal lives in the world and in the church Churches that adopt the strategy of disciple making used by Jesus are certainly going to be change agents in their communities and throughout the world That was Jesus plan That is your possibility
