Michaels,2017-10-03 Poems of elegy in the aftermath of a great love from the internationally best selling award winning novelist Fugitive Pieces The Winter Vault and poet In All We Saw Anne Michaels returns with strikingly original poems to explore one of her essential concerns what love makes us capable of and incapable of Here are the ways in which passion must accept must insist that death give not only take from us This piercing short collection treats desire in a style that is chaste spare figuratively modulated and almost classical in its precision In lyrics that ponder what happens to the bodies of lovers so vital when together different when apart death coming to one before the other Michaels embraces both the intimacy and the vastness of the connection between two people Love s sheltering understanding is a powerful presence in all the poems with its particular imagery the ringing fog the white page of the bed as is the shattering loss of its end With Michaels we enter a space that is not inside not outside dusk s doorway where memory might be kept alive Fugitive Pieces Anne Michaels,1998-05-01 A young orphan smuggled out of Poland during World War II poet Jakob Beer comes to understand the extraordinary power of language to destroy restore and witness as he struggles to cope with both grief and the healing of memory **Holocaust Literature: Lerner to Zychlinsky, index** S. show her the way back to consolation and forgiveness

Correspondences Anne Michaels, 2013-12-03 A rare and beautifully produced accordion book by renowned novelist and poet Anne Michaels and acclaimed artist and writer Bernice Eisenstein that will cause a stir for both its form and its content Anne Michaels's resonant book length poem which unfolds on one side of the pages of this accordion book ranges from the universal to the intimate as she writes of historical figures for whom language was the closest thing to salvation on the other side we have Bernice Eisenstein's luminous portraits of and quotes from such twentieth century writers and thinkers as Paul Celan Nelly Sachs W G Sebald Anna Akhmatova Primo Levi and Albert Einstein The poetry and portraits join together in a dialogue that can be read in any direction and any order in a format that perfectly reflects the thematic interconnectedness of this collaboration an alphabet of spirits and spirit an elegy of remembrance Eisenstein just as a conversation becomes the third side of the page the moment one life becomes another Michaels

Skin Divers Anne Michaels, 2009-02-24 Skin Divers is award winning writer Anne Michaels dazzling third book of poems These poems develop the concern with love transience and memory evident in her earlier work and at the same time signal a definitive turning point towards a new thematic landscape Michaels is a writer whose thoughts take shape in sensuous images verbal music and sinuous lines Her short lyrics like the longer monologues based on the lives of historical figures explore an inner world fluid with feeling and memory They reveal complex climates of emotion and sentiment yet remain unsparing and unsentimental As in the best poetry of our time the luminous calm at the heart of her vision also registers the pressure of the darkness in our lives that has been momentarily withstood These powerful poems tense with desire and divided longings remind us that Anne Michaels is among the most original poets of her generation *Fugitive Pieces* Anne Michaels, 2017-09-21 Winner of the Orange Prize for Fiction This is a novel to lose yourself in The Times Essential reading Spectator Extraordinarily magical New York Times The most important book I have read for forty years Observer
