To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Susan O'Clay, who has worked for me at Center Academy as a paraprofessional and substitute teacher for the past three years. During her terms of employment, she has earned all of the highest rated, respectful, commendatory marks, her graded 3+2. As always, she has shown her adaptability and knowledge in each.

Mrs. O'Clay is抱抱 recommended for her professional competence in offering quality support instruction to the special needs population. She has made an exemplary effort to bring and present various materials in diverse ways to ensure success. She is inexhaustible in her ideas and is resounding and effective when working with the classroom teacher.

She is an organizer and always offers support in keeping things running smoothly and effectively. She always checks for her students and always connects them to their best. Her approach to teaching is, "A teacher takes a hand, opens a mind, and touches a heart."

As an administrator for 25 years, and one who is particularly interested in developing high quality teachers, I strongly recommend Susan O'Clay.

Sincerely,

Walker B. McWhorter  
Principal
