

THE LAST STEP

Now that the book is ready, the only thing left to do is to publish it. The best option is to use a self-published platform like Amazon. It's the easiest way to get your book out there. You can upload your file and it will be available for purchase. You can also add a description and a cover image. Once your book is published, you can start marketing it. You can use social media, email newsletters, and other platforms to promote your book. You can also consider giving away free copies to your friends and family. This will help you get more people to read your book.
