The Athenaeum, 1916 **Ignazio Silone** Maria Nicolai Paynter, 2000-01-01 Throughout his life the internationally known novelist short story writer and journalist Ignazio Silone 1900 1978 struggled indomitably for social justice In this book Maria Nicolai Paynter discusses the many controversial issues surrounding Silone and his writing analysing in detail his intellectual and political convictions and assesses the artistic achievement and stylistic development in his works Paynter argues that a profound authenticity is at the core of Silone's writing and that his tragic vision emanates from a concept of heroism based not on pride and self-serving defiance but rather on moral courage and integrity Northrop Frye's archetypal criticism and his concept of ironic myth provide the theoretical framework through which Paynter guides the reader to an understanding of Silone's particular brand of realism and his unique message Ignazio Silone Beyond the Tragic Vision is a new expanded version in English of an earlier Italian language book which won the Premio Internazionale Letterario Ignazio Silone It is the first comprehensive book in English on Silone's life his writings and their critical reception Catalogue of (printed) music. Thomas Luongo, 2018-07-05 Saint Catherine of Siena 1347 1380 has become a defining figure in the history of medieval religion and one of the main exemplars of the feminine turn in late medieval religious culture Despite a hagiographical tradition and historiography that has placed Catherine at a mystic remove from the politics of her day Catherine's public authority was shaped by politics both locally in Siena and broadly within late fourteenth century contests between the papacy and the Republic of Florence for hegemony in central Italy In The Sainly Politics of Catherine of Siena F. Thomas Luongo combines literary critical readings of Catherine's letters she was the author of one of the largest collections of medieval letters with political and social analysis Drawing on a wide range of archival sources Luongo investigates how Catherine's spiritual authority and sanctity were linked with contemporary political and cultural developments He shows how the political situation of the church in Italy and a culture that privileged female spirituality and prophetic speech facilitated Catherine's emergence into a public role The Catherine who emerges from Luongo's well written pages is a splendid example of what can result when a historian asks fresh questions about a familiar figure's life and brings new materials and methods to bear in formulating answers The Sainly Politics of Catherine of Siena offers a woman more complex and interesting than the figure portrayed in most contemporary scholarship **Syllabus for a Course in Literature for Children** Detroit Teachers College, 1928 **Academy; a Weekly Review of Literature, Learning, Science and Art**, 1894 The Poetical gazette the official organ of the Poetry society and a review of poetical affairs nos 4 7 issued as supplements to the Academy v 79 Oct 15 Nov 5 Dec 3 and 31 1910 Good Housekeeping Express Good Housekeeping, 2019-09-05 I'm full of admiration for Good Housekeeping It's 98 years old and has never failed to help inform amuse and inspire women Prue Leith
