Seminar On Recent Language Literature And Local Culture Studies Kajian Mutakhir Bahasa Sastra dan Budaya Daerah was very challenging in that it needs a goodwill of those who were involved in such a process More than ten experts were invited in reviewing giving suggestions for revision and at last selecting the papers On that account we would like to forward our appreciation and our gratefulness to such invited experts for having done the process The committee received more than 180 papers from the participants and based on the results of the review only 141 papers were declared fit to be presented at the seminar and subsequently published in the proceedings of BASA 3 2019 Papers in the proceeding are expected to give academic benefits especially in broadening the horizon of our understanding in language literature and local culture studies We realize that what we are presenting for the publication is till far for being perfect Constructive criticism is very much welcome for improvement Finally the committees thank for the participation and congratulate for the publication of the papers in the proceedings of BASA 3 2019 The committees also thank all those who have supported and actively participated for the success of this event Hopefully these Proceedings can be used as references in developing technology and improving learning activities in the fields of education social arts and humanities

*The Palgrave Handbook of Popular Culture as Philosophy* Dean A. Kowalski,Chris Lay,Kimberly S. Engels,2024-04-30 Much philosophical work on pop culture apologises for its use using popular culture is a necessary evil something merely useful for reaching the masses with important philosophical arguments But works of pop culture are important in their own right they shape worldviews inspire ideas change minds We wouldn t baulk at a book dedicated to examining the philosophy of The Great Gatsby or 1984 why aren t Star Trek and Superman fair game as well After all when produced the former were considered pop culture just as much as the latter This will be the first major reference work to right that wrong gathering together entries on film television games graphic novels and comedy and officially recognizing the importance of the field It will be the go to resource for students and researchers in philosophy culture media and communications English and history and will act as a springboard to introduce the reader to the other key literature inthe field

*The Interplay Between Political Theory and Movies* Ulrich Hamenstädt,2018-10-01 This book presents essays and scientific contributions examining the link between popular media and politics The essays focus on the question of how political and social change concepts of power and utopian elements are reflected in selected films and television series The book applies a political science perspective covering theories from political philosophy political sociology and international relations and examines a wide range of movies and TV series such as The Godfather Fight Club The Walking Dead and Game of Thrones It will appeal to anyone interested in studying how political ideas concepts and messages can be illustrated and visualized using the complex media of movies and TV series

**Un/belonging Identities: Relating Narratives of Queer Trauma** Mark Vicars, Jordan Gonzalez,Liam Wrigley Jonathan Glazzard,2025-11-13 This Research Topic will examine the impact of trauma as it relates to the lived experiences of well being on and in LGBTQIA lives in educational domains The papers in the Topic will re present kaleidoscopic experiences

of the social and cultural landscapes of the performative abjection of Queer gender and sexuality as experienced in and across cultural differences and intersectionality in school settings The papers in the collection will draw on the sociology of affect as a lens for addressing how social and emotional well being in LGBTQIA lives is a constant negotiation for young people The concept of social well being has been instrumental in bringing together a number of burgeoning disciplines across the social field sector and this Research Topic will focus on how LGBTQIA self identified young people navigate historical traumas social isolation and generate social well being in their personal lives and communities Researchers like Van der Kolk 2015 and Perry and Winfrey 2021 draw our attention to the impact of trauma on the body and the brain They highlight the damaging and often long term effect of trauma on brain development and the nervous system Attention is also given to the ways in which trauma can inhibit weaken and alter higher order thinking skills concentration and neurological pathways in the brain The body's response to trauma can also result in a constant release of hormones such as adrenalin and cortisol that can lead to a heightened nervous system To date there has been limited research on LGBTQI trauma informed narratives and their effects in Queer life worlds The Research Topic will disseminate trauma informed educative frameworks of practice strengths based resources and culturally inclusive language protocols Greig Bailey Abbott Brunzell 2021
