The Volcan Knights Laurie Bowler, 2025-11-20 When darkness bleeds into reality five immortal warriors stand between humanity and cosmic annihilation Marcus was a Roman centurion Gabriel a plague doctor Sean a Celtic warrior Kamal an Egyptian scholar James a medieval strategist Separated by centuries united by a singular purpose they have been transformed by divine beings called Nephilim into the Volcan Knights supernatural guardians wielding blessed steel against an ancient evil that devours human souls For a year they have hunted the Devourers shadow creatures that slip through dimensional barriers to consume consciousness itself But the manifestations are growing stronger more intelligent and disturbingly coordinated Something vast and malevolent is directing them from beyond the boundaries of reality When the knights discover the true scale of the threat not just scattered monsters but a coordinated invasion that could transform all consciousness into extensions of corrupted will they must evolve from reactive hunters into strategic warriors But the cost of fighting cosmic horror is devastating brothers fall love becomes weaponised vulnerability and the psychological warfare is as deadly as the physical combat As dimensional barriers collapse and thousands of Devourers prepare to flood the mortal realm an unprecedented sacrifice offers desperate hope But victory will require more than blessed swords and supernatural strength It will demand everything the knights have left their humanity their brotherhood and their willingness to continue fighting when every tactical assessment suggests defeat is inevitable A dark fantasy epic of immortal warriors cosmic horror and the ultimate question what makes consciousness worth preserving when corruption promises an end to all suffering Perfect for fans of Brandon Sanderson's action driven fantasy the supernatural militarism of Jim Butcher's Dresden Files and the cosmic scope of Warhammer 40K *Volcan Knights* delivers visceral combat complex characters and mythology that spans from ancient Rome to eternal vigil
