Prizing Children's Literature Kenneth B. Kidd, Joseph T. Thomas Jr., 2016-11-10 Children's book awards have mushroomed since the early twentieth century and especially since the 1960s when literary prizing became a favored strategy for both commercial promotion and canon making There are over 300 awards for English language titles alone but despite the profound impact of children's book awards scholars have paid relatively little attention to them This book is the first scholarly volume devoted to the analysis of Anglophone children's book awards in historical and cultural context With attention to both political and aesthetic concerns the book offers original and diverse scholarship on prizing practices and their consequences in Australia Canada and especially the United States Contributors offer both case studies of particular awards and analysis of broader trends in

literary evaluation and elevation drawing on theoretical work on canonization and cultural capital Sections interrogate the complex and often unconscious ideological work of prizing the ongoing tension between formalist awards and so called identity based awards all the more urgent in light of the We Need Diverse Books campaign the ever morphing forms and parameters of prizing and scholarly practices of prizing Among the many awards discussed are the Pura Belpr Medal the Inky Awards the Canada Governor General Literary Award the Printz Award the Best Animated Feature Oscar the Phoenix Award and the John Newbery Medal giving due attention to prizes for fiction as well as for non fiction poetry and film This volume will interest scholars in literary and cultural studies social history book history sociology education library and information science and anyone concerned with children s literature [Read On...Speculative Fiction for Teens](#) Jamie Kallio,2012-08-14 This guide offers exciting new reading paths for students who enjoy fantasy science fiction and paranormal themes With over 350 titles organized into their primary appeal characteristics and scores of thematic lists librarians and educators will benefit from lists of contemporary selections specifically written for teens Interest in teen fiction has grown in popularity in the last decade especially within the fantasy and paranormal genres This timely guide is one of the few books on the subject that lists titles that are written specifically for teens [Read On Speculative Fiction for Teens](#) features popular contemporary themes ranging from vampire love and ghost stories to epic fantasy and out of this world science fiction Each of the five chapters caters to a specific area of interest story character setting mood and language and within the chapter numerous lists of novels are organized by topic with the best titles highlighted Each of the more than 350 listed titles includes bibliographic information and a brief punchy description **Bridges to Understanding** Linda M.
