## **Knowing What You Think About Is Where You Will Go** Jairo Hernandez,2022-12-14

Do you ever wonder why you immediately give up on something when a plan does not unfold exactly as you wanted it to Perhaps you see other people achieve their goals quickly and easily leaving you frustrated and wondering why you can't achieve yours You may be starting to wonder whether there is a better easier more effective and more fulfilling way to achieve them If this sounds like you then this book is for you revealing compelling tools and strategies to help you live an extraordinary life You will understand how the power of thoughts within a belief system can directly affect your decision making process Assist you in identifying your limiting beliefs in order to remove the negative mindset from your approach to goal setting and achievement Discover scientific studies proving that you can transform your thoughts to work for you rather than against you Gain the knowledge that will open your mind moving from a negative to a positive thought helping you design a roadmap to achieve your goals much faster This is not just about goal setting It is about Knowing What You Think About is Where You Will Go to discover The impact of our belief system can affect goal attainment How to transform limiting beliefs into unlimited potentialities How to make a plan that you can stick with The value of creating a morning plan Your very own 7 way action plan to achieve your success Isn't it time you started to take control of your success in life When you grab a copy of this book you will get free access to your downloadable Master Plan for Life Journal The journal is an in depth step by step guide with tools and strategies to help put your goals dreams and aspirations in motion faster so you do not have to start from scratch Perfect for journaling that goes along with the book chapters to track your progress Jairo Hernandez is a 20 plus year military veteran who has mentored thousands of military members He used these same strategies to empower the teams he led to make transformational changes personally and professionally during peace and wartime

**Friendship with Thought** Ronnie Jerome Duféal,2011-02-28 You like me want to be happy and to share your happiness with your loved ones The natural laws and principles in this book are powerful for bringing about personal changes and at the same time easy to understand and easy to apply This Book is about a new way of thinking which is call Friendship with thought The book contains life changing information Because our feelings follow our thoughts this way of thinking puts you in the driving seat It puts you in control of your feelings and in every situation you are in The book is direct and easy to understand I have

deliberately kept the paragraphs in small digestible bits so reading becomes easier In this book you will find some new strange ways of thinking At first this may be frightening to you in a wonderful way That is because as humans we are naturally cautious about the unknown People usually stick to what they know even if it causes them pain To change from pain to happiness you must change even if this may be fearful at the beginning As you start to see clearly you will become confident and fearless Also included in this book is what is call the Breath method You can use The Breath method to install and program in you whatever you choose to be and do the principle of Friendship with Thought as explained in the book is simple to understand and easy to apply in your life It is so simple keep it that way you can waste a lot of time making it more difficult It will take a little effort to remind your self of this principle however that effort is well worth it The knowledge contain in these pages has the wonderful amazing power to enable you to do and have anything and everything you want and choose This is not your everyday thinking you may be shocked However when you get over your shock you will be amazed You may at last realize that this is what you have been looking for all your life Your power is in your thought

### **Clarity**

**Focus Fortune** Irfan Noorani,2019-06-20 A majority of people lack two things that draw them to a standstill and keep them from making a fortune clarity and focus Hence we resolve to blame others and our destiny Clarity Focus Fortune will empower you with a crystal clear vision and a supersonic focus to unlock the doors to a life that each of us deserves This book talks about the never talked about rules to live a successful life It is an exclusive orchestration of the insights gained by Irfan Noorani during his journey of life The author has wonderfully recited his journey from rags to riches and the specific incidents that instead of disheartening him propelled him to use them as an opportunity From childhood Irfan was not on close terms to the conditioned thought that he was born to lead an ordinary life Clarity Focus Fortune is alloyed with umpteen real life examples that would sound inescapable to the readers The book shines a torch even on nanoscopic things that stop us from living the lives of our dreams Another spectacular highlight of this book is that each chapter ends with an exercise for the readers It provides a remarkable opportunity to break free from toxic belief patterns and cruise to blessed horizons After reading Clarity Focus Fortune you will find immense change in yourself that is certain to autopilot you to your craved life So soak up the verses of this book every day for 18 days and be ready to witness the NEW YOU Happy living

**Sermons and Addresses** Nicholas M. Long,1906      **Bhagavad Gita Explained to the Modern Man** P. S. K.

Prasad,2001      *It's Not About the Money* Bob Proctor,2018-10-09 The valuable lesson contained in this book is that the best way to attract prosperity is to abandon the pursuit of wealth and allow it to flow toward oneself The ancient laws of attraction are explained in plain language and applied in an economic framework a new perspective not found in other popular explications of these principles A path to prosperity is offered in tandem with guidance for achieving harmony in both professional and personal spheres while strategies to overcome destructive thinking patterns and to sustain the flow of wealth while channeling it constructively are delineated Profiles of individuals who pursued their passion rather than profit

and subsequently reaped immense rewards will inspire those seeking to transform their lives A speaker author consultant coach and mentor Bob Proctor was already a legendary figure in the world of personal development long before his appearance in the hit film The Secret For more than forty years Proctor has been one of the biggest names in prosperity and personal development delivering talks around the world that motivate people to achieve success and prosperity Through his work with the Proctor Gallagher Institute which he cofounded he has transformed countless lives with his message of prosperity

*Tough Guys and Their Attachment to Justice* Peter J. Hansen,2019-09-24 This book challenges the assumption that self interest is the basis of our actions It does so through examining two Platonic characters Thrasymachus in Plato's Republic and Callicles in Plato's Gorgias both of whom attack justice and champion thoroughgoing selfishness The author argues that by following the subtleties of Plato's presentation we see that both characters unwittingly display a kind of devotion to their selfish principles and more broadly a combination of contempt for justice and unselfconscious attachment to it They thereby offer surprising support for the proposition that human beings are not simply self interested Moreover the author argues that the attachment to justice that Thrasymachus and Callicles display is in many respects akin to the attachment to justice that most people feel The book also presents a distinctive approach to reading Platonic dialogues taking questionable arguments offered by Socrates not as indicating his or Plato's views nor as tricks by which Socrates refutes his interlocutors but as revealing beliefs held by those interlocutors Finally the author considers tough guys portrayed by Dostoevsky Gide and Shakespeare and finds that these portrayals suggest similar conclusions regarding self interest and attachment to justice
