## **Sweet recipes for your electric pressure cooker Instant desserts**

,2024-01-16 Introduction Everyone knows the Instant Pot is fantastic at cranking out soups whole grains and tender meat but what about desserts Not only can the device make top notch cheesecakes but it can make a whole book s worth of desserts This book in fact From puddings to cakes to pies to cobblers you can make all the included sweet treats in an electric pressure cooker with minimal extra equipment Other than the pure novelty of making a bundt cake in a computerized multi cooker there are a few good reasons for cooking desserts in an Instant Pot Have you ever wanted dessert but couldn t justify making an entire cake for just a few people Or have you ever made a fancy dessert for a dinner party and were stuck with way too much left over Since everything has to fit inside the modestly sized pot most recipes in this book serve 8 or fewer with many serving only 3 or 4 There s even a cr me br l e recipe for one Plus while your last course is cooking away in the pot you ve got the oven and stove free for making dinner It makes multi tasking easy as can be and is extra handy when entertaining Lastly since pressure cookers lock in moisture and heat they create a perfect steam environment without heating up your kitchen Most desserts require baking and can turn the whole room into an oven on a hot day Rather than swearing off all sweets except ice cream for the summer use the pot to make a memorable dessert I ll be the first to say that pressure cookers are not good for cooking everything just like you can t make everything well in a microwave or on a stove They are however excellent for making rice puddings cheesecakes custards steamed cakes and pies flans and cobblers You ll be surprised by the beautiful and delicious desserts that will emerge from your Instant Pot
